The Community of Living Ethics, with the support of GEN EU Council, is proposing a monthly meditation to invoke as ONE Soul our wholehearted call for Peace on earth.

In May 5, 2026, 6:00 PM we will gather together for a monthly meditation session **with the PURPOSE** to connect GEN EU ecovillages/communities and individual members thus creating a “vibrant meditating cloud” to invoke and call for Peace on Earth.

WHAT: to develop and carry out a monthly rhythmic program of creative meditation sessions promoted by the Community of Living Ethics, with the support of GEN Europe Council, and addressed to the Global Ecovillage Network Europe, involving, as many as possible GEN Europe communities/ecovillages, ecoprojects and individuals, to ignite a united and shared purpose. We’d like to strengthen the idea of GEN as ONE Community made by many ecovillages/communities with a UNIQUE SOUL, as an expression of the Principle of Unanimity, whose motto is “Unity in diversity”

HOW:It will be opened with a short introduction of the **energy of TAURUS , the zodiac sign of this month**. The meditation session will follow soon after, followed by a space of silence.

WHO IS IT FOR ecovillages/communities/eco-projects/individual members, everybody that feels driven to bring his/her energy for the future of Humanity

WHEN: A monthly online meditation, with a regular and continuous rhythm, to be experimented for one year (April 2026-March 2027), and to then draw conclusions based on our experience.

Next date: Tuesday, May 5, 2026, 6:00 PM

All meetings of creative meditation will take place on Tuesday at 6:00 PM, once a month, the Tuesday closest to the full moon.
